

Short Bio of Dr. Sue Morter

International speaker, Master of Bio-Energetic Medicine, and Quantum Field visionary, Dr. Sue redirects the flow of energy patterns in the body to activate full human potential. Through her seminars, retreats and presentations, she illuminates the relationships of quantum science and energy medicine, as well as the elevation of human consciousness and life mastery.

Dr. Sue draws from her experience of over 30 years both as a doctor and as a facilitator of groups and individuals interested in natural healing and a better life. She also shares her developments from a perspective drawn from a life-changing awakening during ancient meditation practices. Her globally taught Energy Codes® coursework teaches individuals how to clear subconscious memory blockages and how to master the energetics of their lives.

Dr. Sue is a member of the Transformational Leadership Council and is founder of the Morter Institute for Bio-Energetics, an organization committed to teaching individuals self-healing techniques and a new approach to life based on Quantum Science.

She will be releasing a book with Simon & Schuster in 2018.

Longer Bio of Dr. Sue Morter

International speaker, Master of Bio-Energetic Medicine, and Quantum Field visionary, Dr. Sue Morter teaches the retraining of the nervous system and subtle energy system of the body through a process called Embodiment. Through her Energy Codes® seminars and retreats and her BodyAwake™ video series, she illuminates the relationships of quantum thoughts, energy medicine, and healing through the re-patterning of the nerve impulse through the body by use of the mind and deep breath work. She retrains the brain, shifts old memory patterns, and then teaches us how to move beyond the brain for sustainable healing. She holds yoga, meditation, and self-healing retreats in Mexico, Bali, Peru, Egypt, and India, as well as across the United States.

Dr. Sue is seen in several documentary films, including *The Opus*, *The Cure is...*, *Discover the Gift*, and *Femme*. She has served on professional licensing boards and in human service organizations for 30 years. As a prominent leader in her profession, she has received numerous outstanding achievement awards in the fields of Natural Healthcare and Transformational Leadership.

She is founder and visionary of the Morter Institute for Bioenergetics, an organization committed to teaching individuals self-healing techniques and a new approach to life based on quantum science and energy medicine, the elevation of consciousness, and life mastery. The Morter Institute is an international destination for healing and wellness education, providing ongoing coursework and treatment for hundreds of thousands of people since the 1980s and with approximately 10,000 patient visits annually.

She also co-founded Soulful Science Productions, a production company focused on providing support for autistic and differently abled children through guided meditation and affirmations.

(continued)

Dr. Sue is a Master Teacher of the Bio-Energetic Synchronization Technique (B.E.S.T.), a powerful natural healing modality developed by her father that is taught to healthcare professionals globally.

She draws from her experience as a doctor serving tens of thousands of patients for more than 30 years, inspiration from a life-changing awakening during meditation, and her personal passion for cracking the code of life itself. She ignites scientific, personal development, spiritual, and healthcare audiences by bridging the worlds of science, spirit, and human possibility. Her greatest joy has been sharing her discoveries with hundreds of thousands of audience members, both live and online over the past three decades.

As a long-established speaker and presenter in the self-help healthcare arenas, Dr. Sue is currently onstage—teaching, leading workshops, or presenting keynotes and other speeches—more than 180 days a year.

As an active member of The Transformational Leadership Council, she collaborates with many other powerful teachers, healers, and leaders to create a better world.

Dr. Sue will be releasing a book with Simon & Schuster in 2018.
